Online Safety Resources for Parents/Carers

Cyber Sprinters for Kids

Exciting new interactive online security resources for 7-11 year olds.

Young people are growing up in an increasingly digital world, exposing them to both the opportunities and risks of the internet. CyberSprinters empowers them to make smart decisions about staying secure online.

The digital game can be played on phone, tablet and desktop, and is supported by a suite of activities to be led by educational practitioners working with 7-11 year olds. Parents and carers can also try the CyberSprinter puzzles with their children at home!
