

E-ACT Bannerman Road

Community Academy

3rd March 2025

Dear parents and carers

Bannerman Road and the rest of the E-Act family of academies are following a helpful Speech and Language program called Elklan.

There are resources available for parents and carers to help you make good opportunities for children to develop really strong communication skills which will help them both in their learning and in their lives outside school.

Please watch this short video which describes how to make the best of everyday conversations with children.

[Click to follow link – no login is needed, just keep clicking!](#)

We will keep you updated as more resources become available.

Yours sincerely

Jodi Dyer, SENDCo and Deputy Head
