

E-ACT Bannerman Road

Community Academy

Dear Parents and carers,

I am writing to let you know that after **21 years of dedicated service**, **Ms Knight** will be leaving Bannerman Road at the end of this term.

Over the years, Ms Knight has supported children across the school as a **Learning Support Assistant** in **every year group**. She has worked with care, compassion, and commitment, helping so many pupils achieve their best and feel confident and supported.

One of her most lasting contributions has been the development of our **Forest School area**, which she has nurtured into a unique and much-loved part of Bannerman Road. It is now a place where children are free to **explore, be creative, and challenge themselves** — a legacy that will benefit pupils for years to come.

Ms Knight is well known to so many of our families and has truly been **at the heart of our community**. Her warmth, dedication, and good humour have made a lasting impact on staff, pupils, and parents alike.

To celebrate her incredible **21 years of service**, we are holding a **goodbye picnic**, and we would love for you to join us:

Date: Thursday 17th July

Time: 3:15pm

Location: School field

Please **bring your own picnic blankets and food**, and most importantly, help us celebrate and say thank you. You're very welcome to **share this invitation with your extended family** and anyone who knows Ms Knight.

We look forward to seeing you there and giving Ms Knight the warm send-off she deserves.

Yours sincerely

Jodi Dyer

Acting Head teacher
